NOTES

NEW PUPPY OWNER CHECKLIST

THINGS TO REMEMBER

- Feed puppy _____ times per day.
- Your puppy has been raised on _____ puppy food.
- Ensure your puppy always has access to fresh, clean water.
- Ensure that your puppy has a safe area to settle into their new home (the DoGoodDoggy method provides a great framework for this) .
- Ensure that you always maintain regular grooming (hair brushing, trimming and bathing).
- Your puppy should have a minimum of 20 minutes of exercise per day and plenty of socialisation.
- If your puppy is exhibiting any signs of sickness, consult your vet immediately.

HEALTH REMINDERS

- Worming/parasite prevention is due in _____.
- Flea & Tick treatment is due in _____.
- Vaccination details will be on your vet card. Your puppy's next vaccination is due on _____.
